

FINANCE COMMITTEE MINUTES

DATE OF MEETING: February 15, 2022, at 5:00 p.m. County Building

MEMBERS PRESENT: Melonie Tilley – Chair, Terry Ferguson, David Newberg, Dan Matthews, and Travis Houser. Also, present Dee Rentmeister, County Administrator.

MEMBERS ABSENT: None

SUMMARY OF DISCUSSION:

- No one wishing to speak to the committee.
- Motion by Houser, 2nd by Ferguson to approve last month's minutes. Voice vote, motion carried.
- Motion by Newberg, 2nd by Matthews to approve the claims. Voice vote, motion carried.
- Sheriff Walker presented a request for ARPA funds to replace the body cameras, in-car cameras, laptops in patrol cars. Sheriff Walker explained that the body cameras were first purchased in 2013 and laptops are having to be replaced every 3 years and the in-car cameras are approximately 8-9 years old. By upgrading/replacing all the equipment at one time they will all be operating on the same operating system. The new body cameras and in-car cameras are synced together so once on camera is triggered so is the other one. The laptops will be replaced with Toughbook computers which will have a 5-year warranty. Sheriff Walker indicated that the bid from CDS Office Technologies who has the state bid for some of the items and the other items fall under single source provider so this would not need to be sent out for bid. Total cost for the project including removal and installation of the old equipment is \$245,055.00. Motion by Newberg, 2nd by Houser to recommend to the full board to approve the upgrade/replacement of the body cameras, in-car cameras, and laptops in the amount of \$245,055.00 utilizing ARPA funds. Voice vote, motion carried with Matthews abstaining.
- Micah Gallardo, EMA Coordinator, was present to discuss the disposal of the EMA/Search & Rescue car. Micah informed the committee that this was discussed at the public safety meeting and that committee felt that due to the age, mileage, safety recall, and that it won't run right now it should be disposed of. Micah stated that he spoke with the fire departments, and they would like to have the car to use for training purposes. Bobby Krietler from Search & Rescue indicated that they had some equipment in the car that they would need to remove. There is also radio equipment and lights that would need to be removed. All equipment will be removed by April 1st. Motion by Matthews, 2nd by Ferguson to dispose of the EMA/Search & Rescue vehicle to the county fire departments to use for training purposes. Voice vote, motion carried.
- Motion by Ferguson, 2nd by Houser to recommend to the full board to reappoint Sandra Schlosser as Supervisor of Assessments with term to expire the end of May 2026. Committee members stated that they felt that Sandy has done an excellent job for the County as the Supervisor of Assessments. Voice vote, motion carried.
- Motion by Ferguson, 2nd by Houser to recommend to the full board to authorize \$2000 of ARPA funds to non-union employees due to regular handling of items and in-person interactions with the public. Discussed among the members about the amount, protective barrier equipment installed in the various offices, which employees/how many, the need for more information and that there was time to discuss this matter at a later date and still have ARPA funds available. Ferguson rescinded his motion with Houser concurring to withdraw his second. No action taken.
- Ferguson informed the committee that he met with G&H marine and Joe Caldwell today to get a quote on service and barge work needed at the marina. Matthews indicated that he had reached out to the JLS to get a quote too. Matthews stated that this would need to be acted upon at the full board meeting this month if dock 7 is to be up and running this season. Matthews will put this on the full board agenda for action.

- Matthews spoke to the committee about the action from the full board last month authorizing an audit of 1125 Property Management. The cost of the audit will be close to \$10,000 and he feels that it is not necessary. He has gotten figures from Dee and Joe and has them outlined in a spreadsheet that shows the revenue of slip rental, dryland storage, transient, etc. Matthews would like to rescind the action taken last month and provide the revenue figures that he has to the board.
- General discussion on the ARPA grant applications. Committee members felt that if an agency/business etc. already received some type of PPP funds that it would not prevent them from being considered for ARPA funds from the County. The deadline to turn in applications is March 31, 2022.
- Motion by Houser, 2nd by Ferguson to adjourn at 6:01 p.m. Voice vote, motion carried.

COMMITTEE ACTION:

Approve last month's minutes.

Approve the claims.

Recommend to the full board to approve the upgrade/replacement of the body cameras, in-car cameras, and laptops in the amount of \$245,055.00 utilizing ARPA funds.

Dispose of the EMA/Search & Rescue vehicle to the county fire departments to use for training purposes.

Recommend to the full board to reappoint Sandra Schlosser as Supervisor of Assessments with term to expire the end of May 2026.

RECOMMENDATIONS TO FULL BOARD:

Recommend to the full board to approve the upgrade/replacement of the body cameras, in-car cameras, and laptops in the amount of \$245,055.00 utilizing ARPA funds.

Recommend to the full board to reappoint Sandra Schlosser as Supervisor of Assessments with term to expire the end of May 2026.
